Starting Wednesday, January 8, 2014 at 9:00 a.m. through January 15, 2014 at 4:00 p.m., the westbound outside lane of West Lindsey Street at Van Vleet Oval will be diverted to the inside lane. Downey Contracting, under contract with the University of Oklahoma, will be installing a concrete manhole on the storm water main pipeline under Lindsey Street. Lindsey Street will be repaired and returned to through traffic when the pipeline project is complete. Traffic safety devices will be installed to protect the traveling public.
